

APPLICATION INSTRUCTIONS

How to Apply - Only one application is required for each major. **The University does not require a separate application.**
Here's how to apply to the program of your choice:

- Access www.applytexas.org
- Create an account on TCA by clicking on "Create your account now." Complete the form and then click "save profile."
- Click "Start a New Application" to start your application.
- Then follow the instructions below for either "U.S. Applicants" or "International Applications."

U.S. Applicants

- To begin an application
 - Choose **"create a new 4 year university admissions application"**,
 - Select the **Target University** "University of Texas Health Science Center at San Antonio", and
 - Select your **Application Type** (Choose the type that is applicable to you; for a list of Application types for your application, please see below).
 - Identify the **Semester of Entry** (What semester do you want to begin this program?)
 - Select **School** (Enter **only** a first choice school; a second choice will be ignored.)
 - Select a **First Choice Major** (Enter **only** a first choice major; a second choice will be ignored.)
 - Select **Continue**
- Complete & submit **application for admission**, Pages 1-9.
- Each major requires specific documents and forms for the admissions process. Admission requirements, printable forms, and information related to each major may be found at the following UT Health Science Center Web site:

ADDITIONAL INFORMATION REGARDING YOUR APPLICATION

Application Deadlines

Application deadline dates vary by program. Please click [here](#) for a list of our application deadlines.

Application fee: may be paid by credit card (MasterCard or Visa), check, or money order (payable to UTHSCSA). **IMPORTANT:** *Include your application ID on your check or money order.* Applications will not be processed without the *non-refundable* application fee. Fee waiver requests are not accepted.

Applying for More than One Major: If you wish to apply to additional programs at the UT Health Science Center, you will be required to complete an application for each program and pay the appropriate application fee. Within the Texas Common Application, designate only a “First Choice School and Major.” A “Second Choice” designation for School and Major will NOT be processed.

Immunization Requirements: If admitted, all [State of Texas immunization requirements](#) must be met prior to **registration**. Applicants accepted into programs which enroll students in courses with direct patient contact, *will be required to show proof of completion of the hepatitis B series prior to enrollment.* This may require the applicant to begin the immunization series six (6) months prior to initial registration.

Supporting Documents for Application: Applications are not regarded as complete until all supporting papers have been received; therefore, it is in your interest to see that these documents are submitted promptly. The Admissions Committee cannot make a decision regarding your application until it is complete. Only complete applications by the deadline date will be considered for admission.

Application forms and accompanying documents (including transcripts) become the property of the UT Health Science Center San Antonio. **Materials will not be returned to or copied for applicants.**
