DEHS-UTHSCSA
PREPARATION FOR NON-BACKGROUND APPLICANTS

Classroom Observation Questionnaire

(Use one log per **lesson** observed; you may see several lessons during any given observation.)

Name: _____ HSC I.D. #: _____

Name of Teacher Observed*: _____ Date: _____

School District: _____ Campus: _____

Campus Phone: _____ Grade: _____

☐ Regular Educ. ☐ Special Educ. _____ (Exceptionality) ☐ self-contained ☐ resource ☐ CMC ☐ itinerant

Time Observed: _____ Hours: _____ (Express partial hours in decimals)

1. What was the objective of the lesson? Were the students told the objective?

2. What were the students expected to know upon completion of the lesson?

2. Briefly describe the lesson and explain the activities you observed.

3. What materials were used (i.e., worksheets, maps, audio-visuals, chalkboard, etc.)?

4. How were students involved in the lesson?

5. Was the objective of the lesson met? Explain.

6. Describe any behavior problem and the strategies used to change that behavior.

7. What did you like about the lesson and what would you do to enhance it?

* If you have the opportunity to teach a lesson, enter your own name and the teacher's name and use this form as a planning guide for the lesson and for reflection upon completion.
