

HSC Alert is the UT Health Science Center’s text and e-mail notification system for emergencies and campus closures. Emergency messages are automatically sent to your UTHSCSA e-mail address. You can receive HSC Alert messages for up to two cell phones with text-messaging capability and one alternate e-mail address by following the instructions below:

1. Access the **Student Center** at <http://inside.uthscsa.edu>.
2. Click on **Student Administration, Self Service** and **Student Center**.
3. Add HSC Alert phone numbers and Emails by clicking the links under **Personal Information**.
